THEME	LEARNING DOMAINS	TOPICS COVERED
1 All About Me	PSED	Stories and Role play around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Building Phonological Awareness: animal's sound, instrument's sound, and body percussions. Pre-Writing strokes: Standing Lines & Sleeping Lines, Introduction to Alphabet Names
	NUMERACY	Pre-Number Concepts: Colours: White, Red, Blue, Green, Yellow, Brown; Basic Shapes: triangle, square, rectangle, and circle
	UNDERSTANDING THE WORLD	Identifying uniqueness: name, age, gender; Understanding different clothing styles; Expressing emotions: happy, angry, sad, confused; Understanding the importance of family & different family members. Identifying some external body parts & understanding the uses of hands & legs, Use of Body Parts for expressing different feelings and emotions, the Importance of keeping ourselves clean & healthy, Understanding ways of keeping ourselves clean & healthy; Understanding various activities that help us in staying fit. Identifying different play areas
	CREATIVITY	Creative and Art- activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
2 People, Places and Safety	PSED	Stories and Role plays around the theme about self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Alphabet name song, Revision of Standing & Sleeping Lines, Letters a, b, & c: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters a, b, and c
	NUMERACY	Pre-Number Concepts: Big and Small, Same and Different.
	UNDERSTANDING THE WORLD	Understanding the different types of houses; identifying different things used in a house Identifying rooms in a house and the daily routines conducted in them & classroom. Understanding norms and behavior of good learners. Identifying different things seen in a supermarket and Understanding the safety rules to be followed in different places.
	CREATIVITY	Creative and Art- activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
3 Food We Eat	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters d, e, & f: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters d, e, and f . Revision of letter sounds (a-f)
	NUMERACY	Pre-Number Concepts: Tall and Short, Heavy and Light
	UNDERSTANDING THE WORLD	Understanding different types of food items. Identification of fruits and vegetables based on their colour. Understanding the size, shape, colour of different color fruits and vegetables. Recognise fruits based on their seeds. Understanding the healthy habits one must follow.
	ART & CREATIVITY	Creative and Art: Activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
4 The World of Animals	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters g, h, i & j: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters g, h, i and j . Revision of letter sounds (a-f)
	NUMERACY	Numbers 1 to 5: identification, quantification, tracing, sequencing, association with concrete objects. Backward counting 5-1. Introduction to the concept of More or Less. Revision of shapes and colours.
	UNDERSTANDING THE WORLD	Identification of wild animals, pet animals Identification of animal sound , movement, food, and their homes Recognition of animals based on the skin patterns(spots and stripes) Differentiation between wild animals, pet animals, and animals in the zoo. understand and follow basic steps of taking care of pet animals.
	CREATIVITY	Creative and Art: Activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
5 The World of Plants	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters k, l, m & n: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters k, l, m and n. Revision of letter a-n.
	NUMERACY	Revision of numbers 1- 5, Backward counting 5-0, Introduction of number 0: identification, tracing, quantification, association with concrete objects , sequencing of numbers till 5
	UNDERSTANDING THE WORLD	Knowing Plants around us. Identifying different types of leaves and trees. Identifying different types of flowers. Comparing flowers based on their colour, shape, and size.
	CREATIVITY	Creative and Art: Activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
6 Water and Air	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters o, p,q & r: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters o,p,q and r. Revision of letter a-r.
	NUMERACY	Revision of numbers till 5 Ordering and Introduction of numbers 6 to 10: identification, tracing, quantification, sequencing, association with concrete objects. Backward counting from 10-0
	UNDERSTANDING THE WORLD	Understanding the need for water. Identifying the various things that need water. Knowing sources of water (rain) Uses of water. Importance of conserving water.
	CREATIVITY	Creative and Art: activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
7 On The Go	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters s,t,and v: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters s,t,u, and v. Revision of letter a-v
	NUMERACY	Sequencing numbers till 10 Revision of More or Less
	UNDERSTANDING THE WORLD	Need of Vehicles. Different types of transportation (land, water, and air) Different types of vehicles (wheels and no wheels)
	CREATIVITY	Creative and Art- activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.

THEME	LEARNING DOMAINS	TOPICS COVERED
8 The Wonderful World	PSED	Stories and Role plays around the theme of self-concept, Self-awareness, self-esteem, self-regulation, cooperation, social relationship, and expression of feelings.
	PMD	Activities involving walking, dancing, balancing, creeping, crawling, hopping, running, jumping, body awareness, and spatial awareness around the theme of physical and motor development.
	LANGUAGE	Letters w,x,y and z: formation, recognition of phonic sounds, identification of letters, letter formation, vocabulary building, & words beginning with letters w,x,y,and z Revision of letter a-z
	NUMERACY	Comparing numbers till 10. Revision of colour and shapes, heavy and light, tall and short, numbers till 10 Revision of sequencing (Before, after, and in between)
	UNDERSTANDING THE WORLD	Similarities and differences between day and night. Activities that are done during day and night time. Knowing days of the week(name and sequence) Knowing the seasons of the year (name and sequence) Knowing different seasons (Summer, rainy, and winter) Knowing about clothes, food, objects , objects used in the different seasons.
	CREATIVITY	Creative and Art: Activities around the theme for appreciation of art; Songs around the theme: Introducing classical music while performing the art activities; Role play and assembly around the theme for performing arts.
