

Dr. Aarti Bakshi

A psychologist associated with schools, universities, and hospitals for the last 14 years

Professional Beliefs

- Every child is a winner, and SEL (Social Emotional Learning) helps children strive to be 'better versions of themselves'.
- Happier teachers make kinder classes.
- Mistakes help us grow.

Professional Aim

Working with children is a joy, so a kinder empathetic world where every child is self-aware, resilient and has growth-mindset to make responsible decisions, is not a luxury or a dream but a necessity.

Professional Courses, Certifications and Appreciations
